

Professional Biography Randy German

Randy comes from the Midwest and holds a Bachelor's Degree in Business Administration.

Prior to Assured InHome Care, Randy worked as a Business Development Director, Quality Assurance Manager and a Human Resource Manager in the health/home care field.

Randy believes that the key factors that set us aside from our competitors are the individualized and personal services provided by our staff. Our dedication in assisting clients to remain independent in their homes is rewarding both professionally and personally. The commitment that our team provides to ensure that our clients and caregivers are satisfied is what endears Randy to this industry and Assured InHome Care, Inc.

When it comes to being the Executive Director, Randy truly believes in the motto "To serve without hesitation, to give when not expected and to receive with the utmost gratitude."
